HOW CAN YOU CHOOSE TO APPEAR?

Our Mission? -> Your Performance!

# Step 1: Access the iLEARN Candidate Portal

- Log into the iLEARN **Candidate Portal**. If you don't remember your credentials, do not hesitate to contact us for support.
- Under the section «**Achieved Certificates**» find your examination and click on it.

The screenshot displays the iLEARN Candidate Portal interface. At the top, the header includes the iLEARN logo, version information (TrainingNow® Version: 6.11.095.WFfy.en (2020/11/12)), company details (Company: ICONS User: Smith John), and navigation links for Logout, Help, and a Ticket search bar. Below the header, there are three main sections:

- iLEARN Candidate Portal allows to:** Monitor your examinations, View and download your certificates, Update your personal data and consents, Create or view surveys (coming soon!).
- If you have to pass an examination:** 1. Find it below in the "Examinations to execute" list and click on it. 2. Provide all requested information. 3. Ensure that the status of the examination is "Scheduled" in the "Examinations to execute" list. Afterwards, you will receive detailed instructions to pass your examination by email.
- Certificates and Digital Badges:** In Achieved Certificates section you can: Download your Certificate (from Attachment form in details), Activate your Digital Badge (use Badge switch), Share your Digital Badge (set sharing preferences in details), Manage your presence for in Successful Candidate Register (use dedicated switch in details).

The main content area is divided into two panels:

- Examinations to execute:** A search bar and a list area that currently shows "No Data Available".
- Achieved Certificates:** A search bar and a list area containing one entry: "20171 ScrumLearn, Master Certified, English" by John Smith, with a score of 57/60 and a badge status. A red arrow points to the date "25-07-2020" in the right column of this entry. Below this list is a "Surveys" section, also showing "No Data Available".

A "Chat" button is visible in the bottom right corner of the interface.
